

Meet Andrea

**ANDREA
FREDRICKSON**

Andrea shares her more than 30 years of experience as a business coach, leader and strategist by helping you think about challenges you face in a different way. As one who believes that everyone, including herself, is a work in progress, she challenges our habits of thought to find greater success. Her desire is to help people and organizations become the best version of themselves and offer each other some grace in the process.
